VISIONX TA COACHING

Disclaimer & Terms of Use

VisionX does not provide investment advice within the meaning of MiFID II / §2 WpHG or equivalent regulation in any jurisdiction. This disclaimer governs all VisionX TA Coaching sessions regardless of delivery format. This document supersedes any verbal or informal representations.

IMPORTANT By booking, purchasing, or participating in any VisionX TA Coaching session, you acknowledge that you have read, understood, and agreed to this disclaimer in its entirety. Your session will not be scheduled until written acceptance has been received via Discord ticket.

01 Educational Purpose Only

VisionX TA Coaching is an educational service. All sessions are strictly limited to the teaching of technical analysis theory and methodology — including but not limited to Elliott Wave Theory, indicators (MACD, RSI, ADX, etc.), chart patterns, harmonic patterns, Smart Money Concepts (SMC), and related analytical frameworks. The content is educational in nature and does not constitute investment advice, financial advice, or trading recommendations of any kind.

02 No Investment Advice

Nothing communicated during a VisionX TA Coaching session — verbally, in writing, via screen share, or otherwise — constitutes investment advice, a trading recommendation, or an offer to buy or sell any financial instrument within the meaning of MiFID II (Directive 2014/65/EU), the German WpHG, the Austrian WAG 2018, the Swiss FIDLEG, or any equivalent national capital markets regulation. VisionX is not a licensed investment advisor or financial institution in any jurisdiction.

03 Theory Only — No Live Trading Advice

Coaching sessions are conducted using historical chart examples, theoretical frameworks, and educational demonstrations only. VisionX coaches do not provide real-time trade signals, live entry or exit recommendations, position sizing guidance, leverage advice, or any instruction that could constitute personalised investment advice. Any reference to historical setups is made solely for educational illustration purposes.

04 Your Sole Responsibility

Any trading or investment decisions you make following a coaching session are made entirely at your own risk and are your sole responsibility. Participation in VisionX TA Coaching does not guarantee profitability or successful trading outcomes. VisionX expressly disclaims any liability for losses, damages, or missed opportunities arising directly or indirectly from the application of concepts learned during a session.

05 No Guarantee of Results

Technical analysis is a skill that requires practice, experience, and ongoing development. VisionX makes no representation or guarantee that participation in coaching sessions will result in profitable trading, improved analytical accuracy, or any specific outcome. Past performance of any analytical methodology discussed is not indicative of future results.

06 No Refunds — All Sales Final

All coaching session bookings are final and non-refundable once confirmed. By completing payment and submitting your acceptance message, you expressly request immediate scheduling of the service and acknowledge that, due to the personalised and time-based nature of the session, your right of withdrawal under EU Consumer Rights Directive (2011/83/EU) Art. 16(a) is waived upon booking confirmation. Cancellations with less than 24 hours notice forfeit the session fee in full.

07 Session Recording & Confidentiality

Sessions may not be recorded by the client without the prior written consent of VisionX. Any materials, screen shares, annotations, or content shared during a session are for the personal educational use of the participating client only and may not be redistributed, published, or shared with third parties in any form.

08 Limitation of Liability

To the maximum extent permitted by applicable law, VisionX, its owners, coaches, and affiliates shall not be liable for any direct, indirect, incidental, consequential, or punitive damages arising out of participation in any coaching session. This limitation applies regardless of the form of action, whether in contract, tort, or otherwise.
